Miami,Fl.- City of Miami Commission Chairman Joe Sanchez recognized The Cat Network during the City of Miami Commission Meeting on July 23rd, 2009 for their milestone of sterilizing 50,000 cats.

“Providing this type of service for folks who otherwise can’t pay to have pets sterilized is much needed and The Cat Network should be applauded for their efforts,” stated Commissioner Sanchez.

“As a believer in the well being of animals, I encourage folks to spay or neuter their pets to prevent future pain and suffering that may result due to overpopulation,” he said.

The Cat Network is a non-profit organization dedicated to humanely reducing cat population. For more information on The Cat Network please visit: <http://www.thecatnetwork.org/>
